

## Welcome to Skyline Estates

At Skyline Estates, we understand life is ever changing but you should always feel at home. Our friendly faces and personalized attention create a lovely place for you to call your own. Residents receive personal care with activities of daily living to promote dignity and quality of life. Our senior living program provides the support needed to maximize independence and well-being.

Our specialized life enrichment program is designed to create an environment of success through meaningful and enriching activities for individuals. We strive to build on relationships between caregivers and residents in our small group and one-on-one activities designed to engage residents throughout the day and promote a more active lifestyle for enhanced quality of life.

Join us. If you are exploring senior living and have questions, our dedicated staff are waiting to help make your retirement a special experience. We look forward to meeting you.

## Welcome Home

*Our comprehensive assisted living and senior care services at Skyline Estates allow our residents to enjoy as much independence and activity as they would like, with the comfort of knowing on-site health care and personal assistance is there when they most need it.*

Senior living at Skyline Estates is designed for senior adults who wish to maintain their independent lifestyle but may need some additional assistance to do so. Skyline Estates was developed to ensure that our residents have every opportunity to enjoy life. Living “comfortably” is what we offer. Our staff truly care about our residents, each other and the reputation that we have built. Our programs and services are tailored to fit your individual needs and wants. The preservation of dignity and confidentiality is paramount at Skyline Estates. Caring individuals who are dedicated to your comfort and lifestyle choices operate this community.

Skyline Estates offers a selection of room sizes and floor plans. These individualized studios will provide you with the comfort you need and the privacy you deserve.

## *Personal Services*

Additional levels of assistance are available beyond our basic care. These are tailored to meet each resident’s specific needs. Residents will be assessed prior to move-in and regularly thereafter, to determine which level of care is needed.

- Individualized care plan
- Mealtime reminders
- Escort assistance to and from meals and activities
- Housekeeping services
- Personal laundry service
- Assistance with medication management
- Health services: monitoring, supervision, or assistance
- Individual modified meals available
- Assistance with personal care such as bathing, dressing and grooming
- Medical appointment scheduling
- 24/7 staff for around the clock care
- In house doctor visits available

## *Memory Care*

Memory loss doesn’t have to mean all is lost. With large studios, premium safety features, and the comfort of being surrounded by peers and nurturing caring staff members, these communities offer residents and their family members peace of mind.

At Skyline Estates our memory care staff members are 100% dedicated to the comfort, life enrichment and genuine happiness of all our residents and their loved ones.

We begin with the knowledge and history of each resident. A tailored life program is then developed and delivered through each caregiver. We develop close bonds between residents, their families, and our caregivers.

As in most wonderful neighborhoods, at Skyline Estates friends take care of friends. A life of stress-free living and familiar activities are found, once again.
